

Arrival Instructions to Alberga Business Park

Alberga Business Park is located in Bertel Jungin aukio 5, 02600 Espoo.

Alberga Business Park is located near the Shopping Center Sello and there are a lot of train and bus connections available. If you come by car, there is some parking space outside of the Alberga Business Park. If those parking lots are reserved, you might find some parking lots on the roadsides nearby. You can also leave your car directly to Sello's parking area.

When you enter the main door of the Alberga Business Park (House B, there is a restaurant downstairs), you will see a reception desk on your left side. Do not check in there but continue walking ahead and turn then right towards the elevators aback (C elevators, after the restaurant). Take the elevator to the 6th floor. When stepping out, there's a reception desk. Tell the reception personnel that you are coming to meet me. I will then pick you up from the lobby.

If you'll get lost, please call me at 045 216 1460.

Warmly welcome!
